The diagram shows dashed lines connecting specific components in Figure 120(b) to form a large triangle. The vertices of the triangle are labeled 788m at the top left, 788t at the top right, and 788n at the bottom left. The interior of the triangle contains labels such as 788p, 788q, 788r, and 788s. Dashed lines also connect some components within the main rectangular grid, such as 788e to 788f and 788g to 788h.
